Reminders In order for a trade to be validated by the League, it must meet all of the following criteria: *** Players must not be listed as "Out," on IR, suspended, or inactive (i.e. – sent back to juniors) *** Players on each side, one-for-one, must be at-or-within.5 average fantasy points of each other (except certain trades from cash pool – see below) ** Each player involved must accrue a minimum of 25 games played in the NHL at time of trade ** No player-for-player trades below an average fantasy point total of 10.5 ** Same amount of players going each way, including cash deals (see below) In order to trade from the cash pool, the following scenarios are acceptable: ** Acquiring a player outside the .5 rule in a player-and-cash swap (see below) ** A player must still be returned + cash considerations i.e. — Team 1 trades N. Kucherov (16.7) and \$650k to Team 2 for L. Sbisa (10.5) and \$9.12million ** Trading cash as a sweetener in a standard trade — may not exceed \$1.5mil By signing the document below, you authorize the above trade, accepted on the day of the month of year abides by all Marc Savard's Vegetable Garden bylows. It also thereby acknowledges the Commissioner has the authority to review, accept, or deny the transaction for any reason based on said-bylaws. The Commissioner is also authorized to adjust the trade for fairness and uniformity after consultation with the owners involved. Team 1 Team 2 Team 2	Team 4 offers
